Dear Parents/Guardians and Wallington School Community;

I am writing to gratefully thank the Wallington Board of Education, our School Staff, our Parent/Guardians, and the Community Members who have worked with me in support of educational programs as well as celebrating special events with us over the many years that we have collaborated.

I want to personally let you know that I will be retiring as Principal of the F.W. Gavlak School at the end of this summer in August. I will sincerely miss all of the staff and community members that worked with me in imparting a sense of purpose for our school and in helping to emphasize the importance of education for all of our students.

I am taking this opportunity to thank everyone for what you have done for our school and the students of Wallington in helping to create the best educational environment for the students.

I wish everyone the best as I move on to the next stage of my life; with more time with family and my new grand-child.

Sincerely,

Ms. Nancy J. Giambrone, Principal
