Great Information for Teachers Jan. 29, 2024

Introduction

Hi Everyone,

Here are some new sites I have found for you. As always, if you need any help finding sources for your lessons, please let me know.

Olga

MATH and SCIENCE

EarthSky provides lots of news and information about the Earth, the planets, and the stars, including a monthly guide to the visible planets in the night sky.

<https://earthsky.org/>

ENGLISH and SOCIAL STUDIES

PBS has 117 lesson plans for Black History Month.

https://nj.pbslearningmedia.org/search/?rank_by=recency&selected_facet=subject:4489&selected_facet=grades:9-12&selected_facet=media_type:Lesson%20Plan&q=black%20history

FOR EVERYONE

Google Bard can create multiple choice and true/false quizzes for your class.
